

Jim was born in Ocala, Florida and raised by his parents, Maxine and Earnest, along with his brother, Earnest Jr. He attended Ocala High School and upon graduating in 1962, went to the Gordon Military Academy before enrolling at the University of Florida (UF) on a ROTC scholarship in 1964. While at UF, Jim met his beloved wife, Velva Wells, and they married in 1965. The following year, Jim graduated from UF and commenced his military service in the U.S. Army 5th Special Forces Group (Green Beret), 101st Airborne. Having served in the Vietnam War, Jim led a Special Forces A-Team and played a pivotal role in various combat operations with the U.S. Military Assistance Command, Vietnam—Studies and Observations Group (MACV—SOC). In honor of his incredible service, Jim was awarded multiple combat medals and ribbons. Following his assignment in Vietnam, Jim moved to Fort Bragg, North Carolina with Velva and their daughter, Kimberly.

Jim's move to Tampa came in 1970 when he enrolled at the Stetson College of Law, all while continuing his service with the Army Reserves at MacDill Air Force Base. That same year, Jim and Velva welcomed their son, Dan.

Upon his graduation with honors in 1972, Jim commenced his legal career with the law firm of Peavyhouse, Giglio, Grant, Opp, Clark & Charlton, later known as "Clark & Martino." His son, Dan, later joined Jim at the firm in 1999. Jim was known to bring professionalism, kindness and even his own famous sayings to the firm. Some of his favorite sayings to share as he would head from the office to the courthouse were "Always stand 5 feet away from a qualified Army Ranger," "Nobody ever got fired for being early," and "Get the work done before you sit on your butt."

Having obtained Board Certification in Civil Trial from The Florida Bar, Jim worked as a leading preeminent trial lawyer for over 50 years. He held various memberships including those with The National Board of Trial Advocates and the American Board of Trial Advocates. Over the course of his career, Jim received numerous awards including the Hillsborough County Bar Association's "Michael A. Fogarty Memorial 'In the Trenches' Award," and the "Herbert G. Goldberg Award," the bar association's highest award given to a trial attorney.

A loving husband, father and grandfather, Jim was endlessly devoted to his family. He is survived by his cherished wife of 57 years, Velva, his daughter, Kimberly Yarbrough and her husband, Ted; his son, Dan and his wife, Sandra; and his grandchildren, Clark Yarbrough, Kirk Daniel Yarbrough, Claudette Yarbrough, Reid Clark, Justin Clark and Wells Clark.

Madam Speaker, on behalf of my neighbors in Tampa Bay and the citizens of Florida, I am proud to honor Jim Clark for his lifetime of service. From his courageous military service to his decades as a trial lawyer, Jim was a hardworking, generous and devoted individual. He was loved and respected by his family, his colleagues and all who knew him. May his soul rest in peace and his legacy live on and inspire others in our community for years to come.

Mr. HIGGINS of New York. Madam Speaker, today I honor and recognize the life and legacy of George Gould. Born in Buffalo in 1935, George was a graduate of Bishop Timon High School, where he was a standout athlete. He attended St. Bonaventure University, where he played basketball, and Stetson University in DeLand, Florida, where he played baseball. He went on to serve two years in the U.S. Marine Corps, from 1957 to 1959, at Camp LeJeune, S.C., where he was a member of the football and baseball teams.

Raised in the Old First Ward on Mackinaw Street, George Gould and his wife Kathryn later moved to the close-knit South Buffalo community to raise their family. Alongside his friend John Scanlon, George was one of the founding members of the Old First Ward South Buffalo Democratic Club and was honored as the influential political organization's Man of the Year.

George Gould was a scooper with the International Longshoremen's Association from 1960 to 1985 and served as a firefighter with the Buffalo Fire Department from 1963 to 1985. Mayor Griffin appointed Mr. Gould Director of Auditorium and Stadium Operations at War Memorial Stadium, Buffalo Memorial Auditorium, and Pilot Field. He held that position from 1981 to 1994.

To those who knew George best, his wife, Kathryn, his children, Kevin, G. Patrick, Brian, Elizabeth, Sheila, and Kerry Gould and his seven grandchildren, extended family members and to his many friends, George was known as a mentor and a true friend. RECOGNIZING MICHAEL O'NEILL UPON HIS DEPARTURE FROM THE PACIFICA CITY COUNCIL

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 21, 2022

Ms. SPEIER. Madam Speaker, I rise to recognize Mike O'Neill as he departs from the Pacifica City Council after ten years of dedicated and outstanding service. Before joining the council in 2012, Mike served on the Pacifica School District Board of Trustees for 14 years and on the Pacifica Planning Commission for six years. Mike's dedication to public service and his joviality will undoubtedly be missed by his colleagues and the public.

It takes a special kind of individual to spend hours studying for, and being in, meetings to resolve thorny issues such as housing, transportation congestion, airport noise, disaster preparedness and education. Mike is one of those special kind of individuals. During his tenure on the council, he served on the Airport Community Roundtable, the Joint School District/Water District/City Articulation Committee, the Pacific Coast Television Board, the Peninsula Congestion Relief Alliance, the San Mateo County Library JPA, the Local Agency Formation Commission (LAFCO), and the City/County Association of Governments (C/CAG).

It's been my pleasure and honor to work with Mike and his fellow councilmembers on many issues. Mike is always looking for solutions and ways to collaborate and compromise. He has participated in several union contract negotiations and set spending priorities and managed budgets for his coastal hometown of 40,000 residents.

Pacifica spreads along six miles of the Pacific Ocean. It's world famous as a surfing destination and offers spectacular open spaces for hiking. When you hike to the top of Sweeney Ridge you can take in an awe-inspiring view of the Pacific Ocean, Crystal Springs Reservoir and San Francisco Bay. From the bluffs of Mori Point and Pedro Point Headlands you can watch humpback whales frolicking in the water. Pacifica is a paradise for outdoor enthusiasts. However, the power of the ocean has also created challenges for the city. The pounding surf, coastal erosion and sea level rise have undermined and destroyed infrastructure. Mike, along with the council and city staff, have worked closely with my office to find funding to secure the seawall at Beach Boulevard and Esplanade Boulevard where buildings were literally crumbling into the ocean and had to be demolished.

During the COVID pandemic lockdown, the beaches in Pacifica were a magnet for people from all over the Bay Area. So many people were flocking to the coast that the city had to restrict access. Those were difficult decisions during difficult times, but Mike and his colleagues were doing their best to keep people safe.

Schools are front and center in Mike's life. In his day job, he works for the Jefferson Union High School District in Daly City. For 14 years, he drove a school bus. If you have any doubt that Mike understands what teenagers are thinking about, think again. He just recently moved to Adult Education as a transition navigator in which capacity he helps adults with resumes, life skills and job
